1. Claims 1-15 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record neither discloses nor suggests an optical disk apparatus having an optical head apparatus including combination limitations structural/method comprising a head unit configured to irradiate an optical disk with a light beam for recording or reproducing data; a holder configured to fix the head unit thereto; a support unit configured to movably support the holder in a radial direction of the optical disk; a support member configured to be fixed to the holder; a rack unit configured to movably engage with the support member within a predetermined range and to have a rack along a moving direction of the holder; a gear configured to mesh with the rack of the rack unit, so as to transmit rotating force of a drive source to the rack; and an urging unit configured to urge the rack unit against the support member in such a manner that the rack meshes with the gear by a predetermined resilient force, as set forth in claims 1, 8 and 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
